# Operators Daily Inspection Sheet

Model: \_\_\_\_\_ Serial No: \_\_\_\_\_  
 Date: \_\_\_\_\_ Shift No: \_\_\_\_\_

Inspect the Combilift before each shift. Should the Combilift be found to require servicing or if during the operation the Combilift malfunctions or becomes unsafe, stop the truck and report the situation immediately to the designated authority.  
 DO NOT operate the Combilift or attempt to service it. Servicing is only to be conducted by a qualified technician.

Mark the Appropriate Box  **OK**  **Machine OK**  **Service Required**
